12	Estimated time required to construct w	omica	4 7705	re		

By	14.	Estimated time required to complete the application of water to beneficial use. 4 years.						
Protested. APPROVAL OF STATE ENGINEER This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the place and manner of use of the waters of an unnamed spring as heretofore granted under Permit 42874 is issued subject to the terms and conditions imposed in said Permit 42874 and with the understanding that no other rights on the source will be affected by the change proposed herein. A measuring device must be installed and measurements of water use kept. This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands. The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies. The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed. 1.5	15.
